

INNOVATIONS®

EL PASO

Product Application:

Upholstery

Composition:

Polyurethane

Backing:

Polyester Knit

Repeat:

Non-Match

Testing:

CAL 117 - Pass

UFAC - Class 1

NFPA 260 - Class 1

Width:

54" (137 cm)

Weight:

20 oz/lineal yard (452 gsm)

Typical Roll Size:

30 yard (27 meters)

Abrasion:

250,000+ double rubs (Wyzenbeek)

El Paso has an inhering proprietary ink resistant technology for faux leather that offers the highest level of cleanability. The stain resistant feature prevents ink and other stains from settling into the upholsteries surface allowing for easy cleaning.

- Excellent care and maintenance not only for ink stains but also tough food and health care stains like mustard, coffee, red wine, iodine or blood. El Paso also repels dye transfer from most denim jeans.
- General cleaning is with soap and water and a clean cloth, stubborn stains can be cleaned with a 70% dilution of isopropyl alcohol.
- El Paso will withstand a 20% bleach to water solution for healthcare settings.

Warranty

Innovations' wallcoverings are guaranteed to be free of defects in workmanship and material for three years. We cannot accept responsibility for claims if our instructions and terms are not

INNOVATIONS®

followed, nor are we liable for labor and associated costs, over and above the cost of replacement material.

Care and Maintenance

General maintenance can be achieved with periodic dusting and/or vacuuming of materials using a soft bristle brush. Marks and stains can be cleaned using mild soap and warm water. Avoid all solvent based cleaners and use a blotting technique with a soft sponge. Abrasives and scrubbing can destroy your material face if used. Dry the cleaned area with a lint-free towel.

For stubborn stains, as a last resort a 10:1 water to bleach solution can be used, however it may impact the color fastness of the product during its lifetime.
