

# INNOVATIONS®

## **KERAMOS**

### **Product Application:**

Wallcovering

### **Composition:**

Cellulose

### **Backing:**

Paper

### **Repeat:**

H: 39" (99 cm) V: 52" (132 cm)

### **Width:**

41" (104 cm)

### **Weight:**

9 oz. (280 gsm)

### **Typical Roll Size:**

12 yards

### **Testing:**

ASTM E84 – Class A

### **Warranty:**

Innovations' wallcoverings are guaranteed to be free of defects in workmanship and material for three (3) years.

### **Care & Maintenance:**

General maintenance can be achieved with periodic dusting and/or vacuuming of materials using a soft bristle brush. Marks and stains can be cleaned using mild soap and warm water. Avoid all solvent based cleaners and use a blotting technique with a soft sponge. Abrasives and scrubbing can destroy your material face if used. Dry the cleaned area with a lint-free towel. Always test your cleaning method on a sample or inconspicuous part of the installation prior to cleaning the affected area to ensure no damage will occur.
