Typical Roll Size:

12 yards (11 meters)

Fire Testing:

ASTM E84 – Class A

Environmental Attributes:

Rapidly Renewable MR6 / Uses Natural or Non-Synthetic Fibers

Warranty

Innovations' wallcoverings are guaranteed to be free of defects in workmanship and material for three years. We cannot accept responsibility for claims if our instructions and terms are not followed, nor are we liable for labor and associated costs, over and above the cost of replacement material.

Care and Maintenance

General maintenance can be achieved with periodic dusting and/or vacuuming of materials using a soft bristle brush. Do not attempt to clean with conventional means, such as with soap and water as product flaking may occur. It is recommended you hold additional yardage and piece in additional material when needed.
